

Low Emission Zone Support Fund

Eligibility criteria for households

To qualify for funding, you must meet all of the below criteria:

1. You must live within a 20km radius of a planned low emission zone, as highlighted on the map found on page four of this document.

If you are unsure, Home Energy Scotland can let you know if you are eligible, call 0808 808 2282 to find out.

2. You must own a vehicle which is non-compliant with the low emission zones:
 - Euro 3 or older petrol vehicles – this **generally applies** to vehicles registered before 2006
 - Euro 5 or older diesel vehicles – this **generally applies** to vehicles registered before September 2015

You can use the [Vehicle Checker](#) to find out if your vehicle is likely to be allowed entry to a low emission zone.

The vehicle must be fully operational and roadworthy at time of application, this includes holding a current MOT, being fully taxed and insured. Vehicles without a valid MOT or road tax or those have been SORN are not eligible for funding.

- You must have owned the vehicle for a period of at least 12 months prior to applying to this support fund. You must be the owner of the vehicle. Energy Saving Trust is not liable for any outstanding finance.

- You must be in receipt of benefits. This fund has been set up to support households falling under particular income criteria and therefore, you will need to declare your household income at application stage.

Evidence of benefit receipt in the name of the applicant is required as evidence of eligibility.

Please refer to the following flowchart to check your eligibility:

Eligible benefits:

- Attendance Allowance
- Carer’s Allowance
- Child Tax Credit
- Council Tax Benefit (exc. 25% discount)
- Disability Living Allowance
- Employment and Support Allowance
