

# Schools challenge results!

Email this form with your school totals (by task) to [eswni@est.org.uk](mailto:eswni@est.org.uk) by Friday 15 December.

Name of school: \_\_\_\_\_

Size of school: \_\_\_\_\_ pupils

				
<b>Keep warm: Day 1</b>	<b>Save water: Day 2</b>	<b>Save energy: Day 3</b>	<b>Save water: Day 4</b>	<b>Save energy: Day 5</b>
Ask a parent to turn down the thermostat by 1 degree for 5 days*	Turn the tap off when brushing your teeth.	Unplug any electrical items you're not using. Stand by mode still uses energy.	Reduce your shower time by one minute.	Turn the lights off when you leave a room.
Total number of pupils _____	Total number of pupils _____	Total number of pupils _____	Total number of pupils _____	Total number of pupils _____

\*Thermostat only needs to be turned down by one degree for 5 days, not one degree daily. If the home occupied by infant(s) or the elderly, do not turn down below 18 degrees.
