## Schools challenge competition terms and conditions

Entrants must be from a primary school with a Northern Ireland postal address. Entry is excluded to persons connected with this promotion and employees and those related to employees of the Energy Saving Trust, Power NI and The Housing Executive.

Only entries submitted via the email address [eswni@est.org.uk](mailto:eswni@est.org.uk) are eligible for the prize.

One winner will be selected from the entrants received by the competition deadline at 11:59pm on Friday 15 December 2023.

Entrants can only win one prize and there can be only one school that wins. No alternative prizes will be available. The prizes are as follows:

- First prize: A prize of up to £1,000 to be spent on a sustainability project/initiative to benefit the school. This will be awarded based on the highest amount of carbon saved throughout 5 days (pro rata according to the size of the school's head count). This prize is sponsored by Power NI.

No expenses incurred in connection with the competition will be paid other than as set out in these terms and conditions.

Energy Saving Trust reserves the right to substitute a prize or part thereof with a prize of equal or higher value in the event of unforeseen circumstances and/or withdraw or amend the promotion at any time without prior notice.

The winner will be selected by Energy Saving Trust after the amount of carbon saved by each school throughout 5 days (pro rata according to the size of the school's head count) has been calculated.

Should the prize winner be unable to accept the prize or not respond to Energy Saving Trust within five days of the notification date, Energy Saving Trust has the right to draw an alternative winner.

The prize must be accepted as offered, is non-transferable and cannot be refunded or exchanged.

By entering this promotion, you agree, if you win, to participate in related and reasonable publicity at the request of the Promoter (including promotional photographs and interviews) without further recompense.

Energy Saving Trust's decision is final and no correspondence will be entered into in respect of all matters to do with this promotion.

Energy Saving Trust will not be responsible for the non-inclusion of entries or any claims as a result of being lost, late, illegible, incomplete, invalid, or because of technical failures or

otherwise, including such failure which is within the control of the Energy Saving Trust or its agencies.

Entry into the competition constitutes acceptance of these terms and conditions.

Failure to comply with these terms and conditions will automatically render a prize draw entry void.

The school name and location of the school will be available for one month after the competition closing date and will be available online at [www.energysavingtrust.org.uk](http://www.energysavingtrust.org.uk)

By entering the prize draw, entrants are sending their personal information to Energy Saving Trust who will at all times process an entrant's personal data in accordance with the UK Data Protection Act 2018. For more information please see our [privacy policy](#).
